Salary Determination

- The ODNI uses a rank-in-person system in which rank is attached to the individual. A selected ODNI candidate or other Federal Government candidate will be assigned to the position at the employee's current GS grade and salary.
- A current Federal Government employee, selected for a detail, will be assigned to the position at his or her current grade and salary.

Component Mission

The National Counterterrorism Center (NCTC) leads our nation's effort to combat terrorism at home and abroad by analyzing the threat, sharing that information with our partners, and integrating all instruments of national power to ensure unity of effort. The Center serves as the primary organization in the United States Government (USG) for analyzing and integrating all intelligence possessed or acquired by the USG pertaining to terrorism and counterterrorism, and its Director serves as the Counterterrorism Mission Manager. NCTC also serves as the central and shared knowledge bank on known and suspected terrorists and international terrorist groups, as well as their goals, strategies, capabilities, and networks of contacts and support. In addition, NCTC conducts strategic operational planning for counterterrorism activities, coordinating and integrating the efforts of departments and agencies across the Federal Government.

Major Duties and Responsibilities (MDRs)

- Ensure recognition of identified program needs to inform and begin the requirements validation process.
- Lead and integrate functional teams to analyze potential program requirements and refine program requirements and continuously coordinate with users to determine appropriate interpretation.
- Conduct advanced acquisition planning and programming to produce the acquisition and investment strategy and program plan and coordinate the acquisition through the contracting process (e.g., contracting milestones, solicitation, source selection, award, negotiation, and administration).
- Oversee the preparation, justification, and/or administration of budgets and monitor expenditures for program areas.
- Lead, plan, organize, staff, and monitor specific acquisition programs to ensure they meet cost, schedule, and performance requirements throughout the life cycle and maintain accountability for accurate and credible cost, schedule, and performance reporting.
- Establish and oversee a risk management approach to ensure program success.
- Manage ongoing working relationships and expectations with customers, stakeholders, users, and decision authorities throughout the program life cycle.
- Oversee, monitor, and approved the technical strategy against requirements.
- Ensure mission assurance (e.g. quality, maintainability, affordability, supportability, and training) for products and/or services throughout the life cycle.
